

### Special Assistance

Kansas State University is committed to making program activities accessible to all participants. If you have special requirements due to disabilities or dietary restrictions, indicate your needs on the registration form or contact Carol Aiken of ASA, 978-356-5656 or carol@asa3.org at least **three weeks before** the start of the program. After this date, we will make every effort to provide assistance, but cannot guarantee that requested services will be available.

### Notice of Nondiscrimination

Kansas State University is committed to a policy of non-discrimination on the basis of race, sex, national origin, disability, religion, age, sexual orientation, or other nonmerit reasons, in admissions, educational programs or activities, and employment (including employment of disabled veterans and veterans of the Vietnam Era), all as required by applicable laws and regulations. Responsibility for coordination of compliance efforts and receipt of inquiries, including those concerning Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, has been delegated to Jane D. Rowlett, Ph.D., Director, Unclassified Affairs and University Compliance, 225 Anderson Hall, Kansas State University, Manhattan, KS 66506-0124 (913-532-4392).

## “Caring for God’s Creation”

Kansas State University

July 20–23, 2001

### Thursday, July 19

Early check-in for people going to the Land Institute in Salina, Kansas

### Friday, July 20

8:00 AM Leave for the Land Institute in Salina

Although not connected to the university, the nearby Land Institute does research on sustainable agriculture. It also addresses the social, philosophical, and spiritual issues surrounding the preservation of rural communities. See [www.landinstitute.org](http://www.landinstitute.org)

**Please note:** For those not visiting the Land Institute, lunch is on your own.

2:00 PM Registration and check-in

4:00 PM Leave for Konza Prairie Biological Station. Enjoy a catered Buffalo Burger Meal. Lecture by David Hartnett, Director.

The Konza Prairie Preserve, which is managed by Kansas State University (KSU), is one of the nation’s last virgin tall grass prairies and the site of extensive ecological research. There is an ongoing program of reintroducing native animal species such as bison to the prairie. See [www.konza.ksu.edu](http://www.konza.ksu.edu)

**Please note:** For those not visiting the Konza Prairie, dinner is on your own.

### Saturday–Monday, July 21–23
